EPHESIANS 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. 13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. 14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; 15 And your feet shod with the preparation of the gospel of peace; 16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. 17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God...”

political, religious or ideological goals. Terror at its core is fear, which our Lord discuss abundantly in scripture. It is in this context that the Holly week, its dates and its meaning are targets for attacks, such as Christmas. But the threat envelope from Ramadan through Passover to Easter are historic attack venues. Do NOT lose sight of In Obscura reporting of target intelligence collection and surveillance of churches.

Christians warned to expect increased hostility, persecution after bill passes in Canada Campaign Life Coalition encouraged people of faith to battle for their religious rights and to defend truth against the 'Combatting Hate Act.' Anthony Murdoch

OTTAWA, Ontario (LifeSiteNews) — Canada's top pro-life group, Campaign Life Coalition (CLC), is warning that the passage of a Liberal bill criminalizing religious expression and belief when quoting parts of the Bible, including about homosexuality and gender, will lead to the “actual persecution” of Christians. In comments to LifeSiteNews, CLC said the passage of Bill C-9 earlier this week is a warning to Canadians of faith to “prepare for increasing hostility.”

“With the passage of Bill C-9 in the House, Christians and pro-life advocates will almost certainly face an entirely new level of hostility, as the door swings open to actual persecution under a cloak of supposed legality,” said CLC campaigns manager David Cooke, who is also a Christian pastor. “We must prepare for the battle ahead,” noted Cooke, adding that Canadians need to “commit ourselves afresh to the One who has won the ultimate victory over every foe, demonstrated by His resurrection on that first Easter morning.”

In Nicaragua, Daniel Ortega's dictatorship has deployed hundreds of police officers to prevent Christians from celebrating Holy Week in the streets, restricting them solely to their churches and forbidding any noise; if they protest, they are kidnapped and sentenced to prison. This is the wet dream of the left.

No one attacks what isn't a threat.

Churches are now training for active shooter drills, barricades, and emergency lockdowns... inside the sanctuary.

Did you ever think this would be normal?

If Christianity were false, why is it under constant attack?

Darkness doesn't fight lies ,it wars against Truth.

Jesus is still a threat. 🔥

SHOCKING VIDEO FROM DEARBORN MICHIGAN EXPOSES IMAM YEARNING FOR A GOVERNMENT THAT HUMILIATES NONBELIEVERS AND SPREADS FEAR AND TERROR ▼

This alarming sermon is coming straight from Dearborn Michigan which has become the first Arab majority city in the United States and home to the largest Muslim population per capita anywhere in our nation. Uncontrolled immigration and a total lack of assimilation requirements have allowed radical voices like this to grow louder right in our own backyard. The Biden Harris open border disaster enabled these elements to take root while ignoring the safety of American communities. President Trump has always put America First with secure borders mass deportations of threats and a no-nonsense approach to protecting our Judeo-Christian values and constitutional freedoms.

When will we finally demand real leadership to stop this before it spreads even further? 🔊

- Violence in central Nigeria, also known as Middle Belt, is often painted as ethno-religious between mainly Muslim Fulani herders and Christian farmers. **But many experts and politicians say climate change and expanding agriculture are creating competition for land, leading to conflict, regardless of faith or ethnicity.**
- Residents said the gunmen arrived in the Gari Ya Waye

“This man acted under Hezbollah’s direction and control. I’ve seen some odd attempts to explain away or even lessen this terrorist attack by claiming that he was an isolated lone wolf. But that is misleading. Terrorist propaganda is designed to activate the so-called lone wolf to act on behalf of the terrorist organization. And it makes no legal difference if the current leader of Hezbollah himself Naim Qasm called this man and told him to attack Temple Israel or whether he simply heeded Hezbollah’s call to kill Jews and in his words burn their world.”

The FBI has now confirmed what we feared. The terrorist behind the Temple Israel attack in Michigan tried to kill Americans on U.S. soil, acting under Hezbollah’s direction. When we say Iran and Hezbollah are a threat not only to Israel but to the United States, this is exactly what we mean.

🚩 JUST IN: The Muslim Michigan synagogue terrorist sent a video minutes before the attack saying "this is the largest gathering place for ISRAELIS in the State of Michigan in the United States"

"I will forcefully enter and start SHOOTING"

GET THESE ANIMALS OUT OF HERE!

He recorded himself yelling "Allahu Akbar!"

Religion of peace strikes again.

The screenshot shows a Fox News broadcast with the title "Final Postings Prior to Attack". It features a video of a car interior and a list of details:

- Finally, approximately 10 minutes before the attack, he sent two final videos to his sister with this camera view saying: "This is the largest gathering place for Israelis in the State of Michigan in the United States. I have booby-trapped the car. I will forcefully enter and start shooting at them. God willing, I will kill as many of them as I possibly can."
- A second video he sent immediately following this video was just a few seconds long and had the message: "A special operation."

FBI Detroit SAIC Jennifer Runyon just laid out the entire timeline of the West Bloomfield, Michigan attack, and it proved what many feared.

The Temple Israel attack was no random tragedy. It was Hezbollah-inspired terrorism, planned in plain sight by a naturalized Lebanese-born Muslim who became radicalized online with Iranian and Hezbollah content.

This isn't a "mental health episode" or a lone wolf: It's foreign terrorist inspiration meeting domestic radicalization and terrible immigration policy.

Despite multiple red flags (Dearborn Heights gun purchase, online radicalizing content, foreign family members in terrorist hot spots) he was on ZERO WATCH LISTS.

How EXACTLY did this fly under the radar?

Bill Melugin @BillMelugin · 4h

Based off the new info from the FBI today, the US welcomed in a Lebanese national and gave him American citizenship only for him to repay it by committing a Hezbollah directed & inspired terrorist attack at a Michigan synagogue in which he had hoped to slaughter Jewish children.

Jake Tapper uses Pope Leo's words against Pete Hegseth at the end of his Sunday show. He does not notice Hegseth quoted from Psalm 144, but uses the pope's quotation of Isaiah 1 against the Trump team. Popes are treated as wise and good when they sound like they're scolding Republicans.

More Threat Intelligence. It's larger than @PeteHegseth profession of Christ and the now regular worship of Him in government facilities. The derogatory, vile accusations against this ignore history and decency. "Christian Nationalism" is bantered about loosely. That term "nationalism" invokes the constant mantra of "nazi" they love to claim, connecting us to Hitler. Know this: It is unmistakable the concurrent shaking and shifting of prophetic, real time fulfilment I have repeatedly called "accelarating." The rise of Christians targeted and persecuted is here. Global genocide of it at the hands of Islam alone is absolutely fact.

WaPo thinks Pete Hegseth invoking faith in wartime breaks norms. This WWII chaplain begs to differ.

Hegseth breaks norms and worries critics

The defense secretary is upending decades-old norms, current and former leaders say, with some cautioning that his proselytizing violates the Constitution and undermines troop cohesion.

On the eve of Palm Sunday and Holy Week, in the ancient Christian town of Suqaylabiyah, Syria, groups of armed Islamists are attacking Christian shops, homes, and churches. The Al-Qaeda/ISIS-aligned Syrian government is encouraging these attacks and has been a catastrophic disaster for Syria's Christians and other minorities, as predicted. Middle East Christians are currently under attack from the Holy Land to Lebanon, Syria, and Iraq. God help everyone.

BREAKING: Thousands of Muslim jihadis are on their way to the Christian town of Al-Suqaylabiyah, Syria, following yesterday's pogrom.

They are hunting for Christian blood and want to commit a massacre.

It's crazy how little the world cares about Christians in the Middle East.

A Christian politician in Finland has been convicted of a crime for publishing biblical views on marriage and sexual ethics. The country's Supreme Court found parliamentarian Päivi Räsänen guilty of "hate speech" for a pamphlet she wrote 22 years ago.

In a statement, Räsänen said, "I am shocked and profoundly disappointed that the court has failed to recognize my basic human right to freedom of expression. I stand by the teachings of my Christian faith, and will continue to defend my and every person's right to share their convictions in the public square."
