(TLP-C) CHURCH ARSON ALERT 13 JUL 2026

KNOW THE TARGET – WATCH THE TARGET – LOOK DEEPER -EXPECT THE UNEXPECTED

Matthew 11:12 "And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force."

IN OBSCURA THEAT LEVEL – IMMINENT

CAVEAT: THIS INTELLIGENCE PRODUCT RELIES ON OPEN-SOURCE MEDIA OR GOVERNMENT RELEASED UNCLASSIFIED INFORMATION. RECOMMENDED ACTIONS ARE INCLUDED FOR CLIENTS FOR INFORMATION AND ACTIONS DEEMED APPROPRIATE.

IN OBSCURA CONTEXT

Immediately below are four current threat reports I posted today although the date shows 13 Jul 26 at the title line. The delay is due to operational priorities. But you will see the delay only serves to corroborate the threat escalation. Also below are links to prior reporting of mine regarding just the deployment of fire as a weapon against US Christian targets. With HIGH confidence I have repeatedly assessed the threat is escalating in almost real time, assisted by pre-attack target surveillance and intelligence collection by enemy elements.

Investigators say Downeast church fire was arson

A fire that damaged a Dennysville church was an act of arson, according to investigators. The fire, which started near the back of the building, occurred shortly before 8 a.m. on Monday at the Dennysville Edmunds Congregational Church, according to Shannon Moss of the Maine Department of Public Safety.

Firefighters quickly extinguished the blaze, which damaged the church's exterior. "Thanks to a quick and coordinated response, crews were able to rapidly bring the fire under control and prevent it from spreading into the main structure," Dennysville Volunteer Fire Department Chief Justin Doran said in a social media post. "Their efforts limited the damage primarily to the exterior of the church."

No one was at the church at the time and no injuries were reported.

In a later post, Doran wrote that he was saddened to learn that the fire was an act of arson. “This church has been a part of the community for generations and has meant so much to so many people over the years,” Doran said. “Learning that this fire was intentionally set is heartbreaking.”

Anyone with information is asked to call the State Fire Marshal’s Office at (207) 973-3700. “Please, if you saw or heard anything that morning, no matter how small or insignificant you think it may be, I encourage you to call,” Doran said. “You never know what small breadcrumb may lead investigators to the next piece of the puzzle. Even something that seems unimportant could make all the difference.”

BUFFALO, N.Y. (WIVB) — Officials have determined a fire at the former St. Ann's Church on Tuesday to be arson, four days after crews contained a three-alarm fire at the site.

Crews responded to the Emslie Street site around 5:45 p.m. and brought the fire under control. In January, crews contained a [four-alarm fire](#) at the site that caused \$600,000 in damages. Buffalo Common Council Member and Majority Leader Leah Halton-Pope shared her reaction to Tuesday's fire, saying that she had a conversation about securing the former church earlier in the day.

FDNY says Bushwick church fire was intentional, church suspects arson

Amethyst Martinez, USA TODAY NETWORK, Fri, July 17, 2026 at 7:57 PM EDT

<https://www.yahoo.com/news/us/articles/fdny-says-bushwick-church-fire-235755741.html>

The NYPD says last month's fire of a historic Bushwick church was intentionally started. The church pastor goes further, saying it "depicts suspicion of arson." This week, New York Fire Department said an investigation is ongoing, classifying the cause as "incendiary" without releasing further details.

But Rev. Dr. James E. Steward II said he knew something was off when the fire broke out weeks ago. "This happened in broad daylight, on Juneteenth. We are obviously a diverse community," Steward said. "They're reminded that there's a historical tragedy to churches burning."

South Bushwick Church, a historical landmark, was built in 1853. The church's iconic steeple was familiar to many in the neighborhood, rising above the surrounding buildings with a slight tilt. Locals would stop by for the occasional service, even if they weren't an active member of the congregation.

The suspect was identified as 24-year-old Colton Jefferson Normand, who uses the names “Olive” and “Raine.” Police believe he had been squatting on the church property. Officers had previously given him a verbal warning to leave the church on July 2.

Normand was apprehended at the scene with his breasts, reportedly developed through cross-sex hormone therapy, exposed. He is also wanted on assault charges in his home state of Idaho. He was previously reported missing by his family.
